Connecting with your Device:

- Keep your Bluetooth Device within 3 Ft. while Pairing.
- Press the Power button of TAGG Inferno 2.0 earphone for 3 secs. Blue and Red LED will blink and it means that the earphone is in the pairing mode.
- Now search for Available bluetooth devices in your Mobile/Laptop/iPad and select TAGG Inferno 2.0 from the list of available devices.
- If prompted, enter password or PIN required "0000".
- If prompted by your mobile phone to connect, click "YES".
- After Successfully connecting Blue LED will flash twice after every 4 secs.

How to Charge:

- Connect to power using Micro USB.
- To better protect the battery life, kindly use only the charging cable provided with the earphone < 5V, 100 mAH-240 mAH.
- Allow 1-2 hours to completely charge the earphone.

LED Indications:

- While Charging - Red LED is On.
- When completely charged there is no light.
- When battery is low, Red LED blinks every four seconds twice and the voice prompt will let you know that battery status.
- Pairing Mode- Blue and Red LED starts Flashing.

Reconnect the Earphone:

- If the connection is lost, TAGG Inferno 2.0 will try to reconnect automatically.
- If it does not reconnect, kindly press the Power button for 3 secs and reconnect manually through your mobile Bluetooth.

Common Problems and Solution:

- Mobile Can't Find the Earphone:
 - Kindly restart your phone and the earphone.
- There's always noise and the Bluetooth keeps disconnecting:
 - The Earphones needs to be charged.
 - Make sure you are not beyond the signal distance.
- Bluetooth is connected but you are unable to listen to music:
 - Check your setting to adjust the sound on hands free mode.
 - Some mobiles require you to select the device twice.
 - Some mobile devices do not have complete stereo Bluetooth kindly connect the earphone with another device to check if it is functioning properly.
- Bluetooth Password:
 - "0000"
- Maximum Distance:
 - 20 ft.
- Red LED is not ON while charging:
 - This could be due to lack of use of earphone. It needs to be charged for 30 min before the Red LED occurs.
- Reset the Factory Setting:
 - When the Earphones are off, hold the power button for about ten seconds until the red led flashes once- RESET.
