FEATURES

- **Innovative Design for Better BASS**
 - Handcrafted with genuine wood, these earphones produce a crisp powerful acoustic sound with strong deep bass.
- **Comfort Fit**
 - Three sizes (S/M/L) of custom silicone ear tips to ensure a comfortable fit for everyone. Innovative housing design enables for easy adjustment and optimal wearing comfort. Made to fit you and your lifestyle.
- **Multi - Function**
 - Accept/End/Reject calls, Skip tracks, Control music volume without digging for your device.

• Passive Noise Isolation

- This feature enables users to enjoy listening to your music in a chaotic and noisy environment.

• Built-in Microphone

- Symphony X-150 wired earphones features a noise-isolating microphone which enables trouble free receiving of calls or undeterred sessions of musical extravaganza.

• Sleek Tangle Free Cable

- Symphony X-150 has a tangle-free braided cable designed to keep your cable free from knots which provides more hues, less hassle. The perfect length cable will let you move your head around, while using these earphones on the go. This precision designed pair of headphones are made to let you move with ease.
